FREQUENTLY ASKED QUESTIONS

Do I need to make an appointment to view the venue or talk with a staff member?

Yes. An appointment will ensure a member of our event team is available, and that there's no other event booked at the time.

Can we use an offsite catering company or BYO?

We have a strict food and beverage policy which means all requirements must be sourced through our onsite providers. There's just one exception; you can BYO champagne for a toast after the ceremony.

Can we self-decorate?

Yes, you can, and there are a number of local suppliers that we can recommend.

When is the deposit and final payment required?

You'll need to make a non-refundable deposit in order to secure your booking.

The deposit is determined by the number of guests:

Under 50 guests: \$1500

50-99 guests: \$2500

100+ guests: \$3500

Payment of all catering and venue hire is due 60 days prior to your wedding day.
